September 2016

Dear Parents and carers

SCHOOL FUND

As a school Ellingham wants to ensure the very best facilities and resources for all our pupils. However, I am sure you are aware, we are subject to financial constraints. As a result we greatly appreciate the contributions that parents and carers have made in the past to the School Fund. This money is used to assist the school in providing extra materials to enhance your children's learning experience and environment.

For many years, parents and carers have made a voluntary **termly** contribution to school funds and this has enabled us to continue to improve our equipment and resources.

If you would be prepared to make a donation we would be most grateful. We would suggest the amount of £10 per child but would be very happy to receive less or more if you are able.

Please either send cash via the school office or alternatively send a cheque made payable to 'Ellingham Primary School'. Please mark the envelope 'Donation to school fund' and place in the secure box in the reception area marked 'Office Only'.

We also accept electronic payments. Our details are **Lloyds, Sort Code 30-98-62, Account Number 25826960**. Please quote 'School fund donation' as a reference.

May I take this opportunity to thank you in advance for any monies received.

Yours sincerely

Mrs S Creegan
Headteacher
