

## 5 Extra Home Learning Challenges

Try and do one of these activities each day. Please email [nursery@elp.rbksch.org](mailto:nursery@elp.rbksch.org) We love to see your photos and we will reply with what Kind Kitten has been up to

### Challenge 1 Moving like a minibeast

See if you can move like the following mini

- flutter like a butterfly
- march like an ant
- slide like a snail
- crawl/wriggle like a caterpillar
- buzz/dance like a bee
- spin like a spider
- scuttle like a woodlouse
- zig zag like a millipede
- zoom like a fly
- roll like a beetle
- slither like a slug

beasts

### Challenge 2

#### Nectar Relay Race

Fill a bucket with some yellow coloured water (nectar) if you can.

Put it at one end of the garden or outdoor space.

At the other end have an ice cube tray or egg carton (hive).

You have to run to the bucket fill up a container with nectar and race back to your hive.

You can have a race on your own or with someone else and see how much you can collect in 1/2/5 minutes.

### Challenge 3 Make a circle shape book

You will need to cut out different sized circles and have pens, paper and glue ready.

#### How to Play

Talk about different things that are circle shaped such as a ladybird, clock, snowman or pizza. Ask your child to choose a circle and decide what to make it into. Then make all the ideas

into a book

### Challenge 4 Phonics Play Syllable Clap

Start the activity by showing the child an object/picture, e.g. dol-ly and then claps out the number of syllables. The adult then shows the child another object, e.g. ted-dy and asks the child to clap the syllables in the object word. A good place to start is with two syllable words. This is because children often find it more difficult to recognise single syllable words. Gradually increase the number of syllables in words to a maximum of 4, i.e. 'he-li-cop-ter'

### Challenge 5 Fingerprint initial letter or name

Write your child's first initial of their name or their whole name in pencil.

Let them make finger prints over the pencil.

## FINGERPRINT NAMES

A fine motor skill activity
