

Friday 30th September 2011

The relaxed starts continue to go well. I know that there have been a couple of incidents this week which have caused traffic jams on the A3 and Leatherhead Road but well done to parents who have run in with their children in order to get to registration for 8.55am.

In our continuing drive to sustain and improve safety we are locking the gates promptly. All gates are open first thing in the morning, at midday (for parents picking up Nursery children) and at the end of the day. However, during the day, the school can only be accessed from the Ellingham Road entrance so please bear this in mind if you are collecting your child for an appointment etc.

Thank you to all parents who are making a concerted effort to close gates behind them. This is especially important if entering or exiting the temporary village.

After school clubs will be up and running from next week. We have a wide range of clubs on offer this term and, as always, places are allocated on a first come first served basis, so make sure that your child returns their slip as soon as possible to avoid disappointment.

Finally, I have been asked to make you aware of the following event, which sounds like great fun:

ON SATURDAY 15 OCTOBER AT THE SCHOOL OF ART AND DESIGN, KINGSTON COLLEGE, 55 RICHMOND ROAD, KINGSTON UPON THAMES, KT2 5BP

Kingston College is part of The Big Draw 2011. This event is open to all members of the public and runs from 10.30am-1.30pm. All ages and all abilities are encouraged to contribute to a BIG drawing at the School of Art and Design.

The college will provide materials for all participants and the work will be on public display at the School of Art and Design for the following two weeks.

Why? Drawing helps us to think, invent and communicate - regardless of age and ability. Bringing communities together in creative ways, it is the largest drawing festival in the world.

Have fun in the sun this weekend!
