

Ellingham Primary School
Strong roots for flourishing futures

Dear Parents/Guardians,

Our names are Shaye Burton-Simmons and Holly Townsend and we are the road safety officers for Ellingham Primary School. We are writing to address the matter of the cars that park outside the Ellingham gate, which isn't allowed.

First we would like to say about the residents of Ellingham Road who do not like people parking in front of their drives. This can also cause a lot of traffic. A comment has been made which says, "Because there are a lot of cars looking for somewhere to park down Ellingham Road, sometimes there are almost collisions." This is why we are doing this letter, just to keep your child safe.

We understand you have work and have to drop your child off quite quickly, but that is also making a dangerous place for your child to be. For example going up on the path where children are walking.

Also we have noticed people stopping on zig zag lines to drop their child off. We understand that as Ellingham is a dead end people have to turn round, but you are blocking people's drives and being dangerous.

We have asked the police and traffic wardens to help us make the roads around Ellingham safer.

We hope we can all work together to make this situation better.

Yours sincerely

Shaye Burton-Simmons and Holly Townsend
